GREEN SPACES • GREAT NEIGHBORS

The Villager
NOVEMBER 2017

The 5TH ANNUAL POOCH PLUNGE was well—"retrieved"!!!

Another outstanding Pooch Plunge for the 5th year.

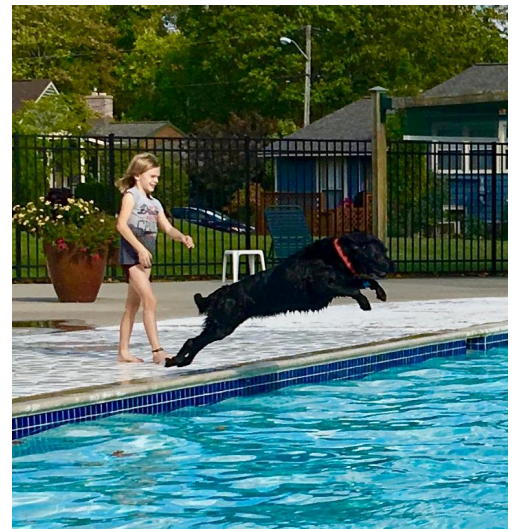

Over 50 dogs were counted and we lost track of the amount of 2-leggers.

Fun was had by all, as the pictures show, especially the flying dog!

Many people were just there to watch, but what helped with increased participation was the change in day and time.

There were many positive comments concerning the Saturday switch from a weekday.

Doggies, Doggies everywhere!

Mischevious

Some folks were able to attend for the first time since it was held on a week-end!

Thank you everyone for your participation, especially to Kat Irvin for shopping for toys and treats. The cider, donuts and apples were an added bonus!

Thanks to Siri Gottlieb for the outstanding pictures; and of course to Colin— always there, always faithful.

*See you next year!

Lights out?

Please call the office if your front porch or back deck lights are out. We'll write up a work order and make the repair!

Recycle, Ann Arbor

Hello,

We hope you have been having a great fall season in Ann Arbor.

Recycle Ann Arbor wanted to send out a few reminders about recycling for residents, in addition to an announcement about exciting changes to the processing of Ann Arbor recyclables! A website was created to explain the process and show residents what their community recycling stream looks like.

Recycling Guidelines Reminder: We have a few in the office for refreshers! Additional languages (Chinese, Spanish, and Russian) of this flyer can be downloaded on the City's [website](#).

Cardboard Recycling and Extra Recycling Service: Contact Recycle Ann Arbor at (734) 662-6288 or info@recycleannarbor.org to arrange an extra recycling service or special cardboard pick-up. Recycling carts need to be brought to the curb for this extra service. Cardboard boxes must be flattened and folded or cut into sections that will fit into the bed of a pickup truck (5'x5' or smaller). Pick-ups will generally be scheduled 2-3 business days later. *This special service is free for the first time you request the service.*

NEW! Waste Wizards Volunteer Program: residents can directly help keep recycling participation high, and contamination low, by becoming a volunteer for our new Waste Wizard program. Volunteers may assist with online outreach (social media, emails), event outreach (community festivals, presentations), door-to-door education, and neighbor recruitment. If you are interested in volunteering for this program, please [sign up here](#). Thank you for participating in the City of Ann Arbor's recycling program.

LANDSCAPING

The crews have completed fall clean-up! If you have GARDEN MARKERS this is now YOUR job to do. You must remove all dead plant material before WINTER. Our staff will be removing the markers from the beds soon. Thank you!

The last mowing and leaf removal will commence very soon as the weather gets crisp.

PLEASE PICK UP AFTER YOUR DOG! The crews have been dodging piles every where — and Lisa our Horticulturist, well, she was NOT able to dodge a big one early this week. It was a stinky and messy situation. Your cooperation is greatly appreciated by all. To aid in this endeavor, the board is considering installing a pet waste-bag station in one initial location soon.
