Yoga with B

Sundays on Zoom @ 1:00pm

Offering is FREE

There are no prerequisites, no rules, and no expectations. I offer modifications for poses and I design the sequence with beginners in mind.

I teach because I love the practice. I also teach because I know how intimidating the word "yoga" can be and I want to change that. It might be for you or it might not. The only way to find out is to give it a go!
